INDEX OF SUBJECTS

APA Publication Manual, 389
Analysis of variance, a qualification in the use of,
  Diamond's comment on Webb and Lemmon, 151
  Patterson's note on Webb and Lemmon, 148
  Webb and Lemmon's sequel to the notes of Patterson and Diamond, 155
Analysis of variance designs for learning studies, greco-latin, 521

Behavior (social) of vertebrates: review of the literature (1939–1950), 598
Blacky Pictures, the validity of, 238

Calculating correlation coefficients, the effectiveness of short methods for, 342
Christie's "Experimental naïveté and experiential naïveté," note on, 38
Comparative psychology, conceptual trends in, 559
Computational short cut in factor analysis, 144
Conceptual trends in comparative psychology, 559
Correlation coefficients, the effectiveness of short methods for calculating, 342
Criteria (experimentally controlled), evaluation of, 333

Educational and psychological testing, item analysis in relation to, 97
Evaluation of experimentally controlled criteria, 333
Experiential naïveté, experimental naïveté and, note on, 38
"Experimental naïveté and experiential naïveté," note on, 38
Experimentally controlled criteria, evaluation of, 333

Factor analysis, computational short cut in, 144
Factor-analytic research designs—their interrelations and derivatives, 499
Factor analyze, when not to, 26
Functional relations obtained from group data, note on, 263

"Genetics of schizophrenia"
  Hurst's further rejoinder to Pastore, 544
  Pastore's rejoinder to Hurst, 542
Greco-latin analysis of variance designs for learning studies, 521
Group data, note on functional relations obtained from, 263
Group discussion technique (leaderless), the reliability of, 540
Guertin, Rabin and, "Research with the Wechsler-Bellevue test," correction, 71

Homogeneity-heterogeneity in the use of matching method in personality studies, note on the problem of, 41
Hypothesis testing, one-sided vs. two-sided alternatives, 43

Item analysis in relation to educational and psychological testing, 97

Leaderless group discussion technique, the reliability of, 540
Learning studies, some greco-latin analysis of variance designs for, 521
Latent learning
  Blodgett and Haney types of latent learning experiment: reply to Thistlethwaite, 52
  Comment on Thistlethwaite's perception of, 47
  Thistlethwaite's reply to Kendler and Maltzman, 61

Matching method in personality studies, problem of homogeneity-heterogeneity in the use of, 41
Meaning, nature and measurement of, 197
Measure of relation determined by both
